## INTRODUCCION

Con el propósito de mantener informada a la comunidad universitaria del crecimiento de nuestra colección y proveer a nuestros usuarios de herramientas que faciliten el acceso a las revistas, periódicos, índices y extractos disponibles en el Centro de Acceso a la Información de la Universidad Interamericana de Puerto Rico, recinto de Ponce; nos place presentarles a continuación el catálogo de publicaciones periódicas recibidas hasta la fecha en la sección de Revistas del CAI.

El mismo ofrece al usuario la oportunidad de revisar los títulos disponibles en nuestra colección en dos formas: por orden alfabético y de acuerdo a la temática principal que cubre cada una de las revistas.

Para efectos de orden no se consideran los artículos iniciales de los títulos.

Los títulos que comienzan con siglas o iniciales están ordenados al principio de cada letra.

En este catálogo se utilizan los siguientes símbolos:

(-) Un guión al final de un año significa que continuamos recibiendo la publicación.

(.) Un punto después del año indica que la publicación se recibió hasta esa fecha.

(,) Una coma indica que hubo un período en que no recibimos la publicación.

En la sección de "INDICES Y EXTRACTOS EN FORMATO ELECTRÓNICO" hemos puesto a la disposición de nuestra comunidad unas magnificas herramientas para la búsqueda de artículos e información actualizada. Muchas de estas bases de datos le permite obtener artículos de revistas y periódicos en texto completo ("full-text"), extractos ("abstracts") y bibliografía ("citation").

Esperamos que este trabajo sirva de ayuda como una herramienta más en sus investigaciones.
